Principal

Fr. Lourdu Mummadi, Ph.D, Ed.D

I am honored to serve as the new Principal of St. Patrick School. I come from a loving family in India, where I am the youngest of five children. My family is incredibly important to me, and my decision to become a priest was profoundly influenced by the passing of one of my brothers. My older brother, who is also a priest, has been a guiding force in my life.

Academically, I hold a Ph.D. in Organization and Leadership from the University of San Francisco, along with four degrees from India in science, theology, philosophy and education. My extensive experience in teaching and school administration, both in India and the United States, has thoroughly prepared me for this role.

As I step into the role of Principal, my commitment is to foster a community where our students can thrive spiritually, academically, and personally. I look forward to working closely with our school and parish community and humbly ask for your prayers and support as we embark on this new chapter together.
