WELCOME

Fr. Lourdu Mummadi, Ed.D Principal

Dear St. Patrick's School Community,

It is with great joy and enthusiasm that I welcome you to another promising school year at St. Patrick's School. As we embark on this academic journey together, I am reminded of the words from Proverbs 22:6: "Train up a child in the way he should go, and when he is old, he will not depart from it." At St. Patrick's, we are committed to fostering a nurturing and academically rigorous environment where each student is encouraged to strive for excellence in all aspects of their education.

This year we are excited to share some significant developments that reflect our dedication to both spiritual growth and academic achievement. Our school is in the process of constructing a new chapel, which will soon serve as a sacred space for prayer, reflection, and spiritual nourishment. This chapel will stand as a beacon of our Catholic faith and commitment to guiding our students not just in their studies, but in their spiritual lives as well.

In addition to the chapel, we are working diligently to update and beautify our school exterior. These enhancements are part of our ongoing efforts to create a welcoming and inspiring environment that reflects the pride we have in our school and the high standards we set for our students.

Our Catholic Dual Language School will enrich our students' educational experience. Currently serving Pre-K to 2nd grade, we are working closely with

Boston University, through which we are proudly accredited, to ensure that our programs meet the highest academic standards. Our participation in the TWIN-CS (Two-Way Immersion Network for Catholic Schools) initiative is a testament to our commitment to fostering bilingualism, biculturalism, and biliteracy in our students. This innovative network provides us with valuable research, resources, and techniques that enable us to transform our school from a monolingual environment to one where dual language education thrives.

As we move forward, I encourage each member of our community—students, parents, teachers, and staff—to embrace the opportunities that this year presents. Let us work together to build a strong, vibrant community where every student is supported and challenged to reach their full potential, both academically and spiritually.

Thank you for your continued support and dedication to St. Patrick's School. I look forward to a year filled with learning, growth, and the blessings of our faith.

May God bless you and your families.

Sincerely,

Fr. Lourdu Mummadi, Ed.D
Principal, St. Patrick's School

Virtues in Practice - Year of Faith

Joining a Parent-Teacher Organization (PTO) is a great way to:

Help Your Child: Support activities and resources that benefit your child's education and school experience.

Connect with Others: Meet and collaborate with other parents, teachers, and staff to build a strong school community.

Voice Your Opinions: Have a say in school decisions and contribute to positive changes.

Learn and Grow: Gain insights into how the school works and develop new skills.

Make a Difference: Contribute to fun events and important projects that improve the school environment.

Support Social Growth: Help create opportunities for your child to interact positively with their peers.

Joining the PTO is your chance to get involved, make a positive impact, and be part of your child's educational journey.

Unirse a una Organización de Padres y Maestros (PTO) es una excelente manera de:

Ayude a su hijo: apoye actividades y recursos que beneficien la educación y la escuela de su hijo experiencia.

Conéctese con otros: conozca y colabore con otros padres, maestros y personal para construir una comunidad escolar sólida.

Expresa sus opiniones: tenga voz en las decisiones escolares y contribuya a cambios positivos.

Aprenda y crezca: obtenga información sobre cómo funciona la escuela y desarrolle nuevas habilidades.

Marque la diferencia: contribuya a eventos divertidos y proyectos importantes que mejoren el ambiente escolar.

Apoye el crecimiento social: ayude a crear oportunidades para que su hijo interactúe positivamente con sus compañeros.

Unirse al PTO es su oportunidad de involucrarse, generar un impacto positivo y ser parte del viaje educativo de su hijo.

Fun in the Sun - Water Safety

Drowning is one of the leading causes of child deaths each year.

- Never leave a child unattended around water. Children are drawn to it, and very young children can drown in just an inch of water.
- Always have an ADULT supervising young swimmers.
- Don't mix alcohol and supervision of children.
- Be sure that the adult watching

your child knows how to swim, get emergency help and perform CPR.

- Keep rescue equipment (such as life preserver or shepherd's hook) and a telephone near the pool.
- Plastic or blow-up wading pools should always be drained and stored in an upright position after each use.
- Enclose pools completely with a self-locking, self-closing fence. Do not leave

furniture around that children can use to climb over the fence.

- Teach your child to swim at an early age.
- Flotation devices or inflatable toys are not substitutes for supervision, even if a child can swim.

El ahogamiento es una de las principales causas de muerte infantil cada año.

- Nunca deje a un niño desatendido cerca del agua. Los niños se sienten atraídos por él y los más pequeños pueden ahogarse en tan solo una pulgada de agua.
- Siempre tenga un ADULTO supervisando a los nadadores jóvenes.
- No mezcle alcohol y supervisión de niños.

- Asegúrese de que el adulto que cuida a su hijo sepa nadar, obtener ayuda de emergencia y realizar RCP.
- Mantenga equipo de rescate (como salvavidas o gancho de pastor) y un teléfono cerca de la piscina.
- Las piscinas para niños de plástico o inflables siempre deben drenarse y almacenarse en posición vertical después de cada uso.

- Cerrar las piscinas completamente con una cerca de cierre automático. No deje muebles alrededor que los niños puedan usar para saltar la cerca.
- Enseñe a su hijo a nadar desde una edad temprana.
- Los dispositivos de flotación o los juguetes inflables no sustituyen la supervisión, incluso si el niño sabe nadar.
